GREAT RECORD

HINCKLEY-BEACH CANNERY DO-
ING A WONDERFUL BUSI-
NESS THIS YEAR

Glendale people have a very friendly interest in the Hinckley-Beach Cannery at Burbank, because of the fact that Mr. Beach is a Glendale citizen, hence will be interested to know of the progress of the work in the cannery this season. On Friday of last week the record run was made, over 72 tons of peaches having been handled on that day. The factory is running at practically 20 per cent. above the capacity of the machinery at all times in order to take care of the great quantities of fruit contracted for. The strike does not affect them except indirectly as they have their fruit engaged from nearby orchards so that it is all hauled by truck. They are held back slightly by the slow receipt of cans, as these cannot be loaded on to trucks at the factory as in freight cars. But the cannery has an immense storage capacity so the can shortage will be obviated by using more trucks and running them night and day, piling up supplies of cans ahead. This storage capacity also takes care of the product ready to ship out, but held back by the strike. The women and girls who handle the fruit through the various processes of pitting, peeling, etc., from box to can, have become very expert and as their output is not limited, some of them are making great records. They all work at top speed for the faster they work the more money they make. Cutters make from \$5 to \$6 a day and one young lady made \$7.20 in five hours on Sunday, as extra pay is given for such work. The company treats its employees like they were members of one big family, hence they gladly give the best that is in them to this service.

THE SUBMARINE

INTERESTING SIGHTS ON ITS
MODE OF PROPULSION ON AND
UNDER SEA'S SURFACE

Considerable interest was aroused in Evening News readers by the article in a recent issue concerning life on a submarine, and it was pointed out by one expert that the Diesel engine mentioned as a part of the motor power of the submarine is not a steam engine burning fuel oil but simply an oil engine. It does not use gasoline or distillate, but a very heavy oil under powerful compression. This engine, which was in use on all German submarines and was a German invention, is used for surface cruising only and it runs a dynamo which recharges the storage batteries of the electric motor which propels the vessel in all its undersea movements. It is a beautiful and complicated set of machinery and it takes experts to run it and keep it in order. U. S. Navy officials strongly oppose the elimination of the submarine from the navies of all countries, as proposed by the Peace Commission. They say the submarine is too valuable an aid to navigation to be scrapped, but that its use in war should be prohibited.

WATER SHORTAGE IN SAN FER-
NANDO DISTRICT

A Glendale citizen who was motoring out San Fernando way the first of the week says that many ranchers in that part of the great city of Los Angeles are actually suffering for water and that the reservoir was then nearly empty. The question is, why does Los Angeles try to annex more territory when she can't supply water to those already in her borders?

MEETS EMERGENCY

J. H. FLOWER BUYS RIGGS HOME
ON E. ELK AND IS READY FOR
WIFE AND DAUGHTER

J. H. Flower has again demonstrated that he is a man of the hour and ready to meet an emergency. In anticipation of the arrival of his wife and daughter, Annie May, from New Zealand, and the necessity for a house to insure their comfort, he has purchased the home of Mrs. Mary J. Riggs at 108 East Elk and will take possession of it tomorrow morning. Jesse Flower has gone to San Francisco by auto to meet his mother and sister if they reach there as expected today. He is, of course, prepared to bring them home independent of steam car operations, and Mr. Flower will be ready to receive them when they reach Glendale. Mrs. Riggs is moving to an apartment at 207 1/2 East Broadway.

FAREWELL PARTY

KNIGHTS OF GLENDALE COM-
MANDERY HONOR MR. AND
MRS. THOMAS OGG

Mr. and Mrs. Thomas Ogg of Kenwood Ave. and California St. were guests of honor in their own house Thursday evening when Knights Templar of the Glendale Commandery took possession of it to tender an expression of good will and of regret over their departure. Those present were Messrs. and Mesdames David Crofton, C. L. Peckham, R. V. Hogue, P. J. Priaulx, C. O. Pulliam, H. R. Boyer, D. H. Smith, H. L. Redd, E. P. Jennings, Clem Moore, Miss Myrtle Pulliam, Robert M. Grumbeling, George Duffet, A. L. Chandler, Mr. and Mrs. H. J. Lawrence.

It developed into a stunt party and a very jolly affair at that, which must have made envious all neighbors who were not participants. David Crofton, as official head of the commandery, opened the program with an impersonation of Ruth St. Denis. An outstanding musical number was contributed by a quartette composed of Messrs. Ogg, Chandler, Priaulx and Dr. Hogue, and Mr. Duffet's vocal solo made a great hit. C. L. Peckham's solo, "On to Tennessee," was greatly applauded also.

A speech which voiced the good wishes of those present was made by Past Commander C. L. Peckham who on behalf of the company presented to Mr. and Mrs. Ogg a handsome cut glass bowl as a tribute of regard. A felicitous response was made by Mr. Ogg who expressed the sincere regret felt by himself and Mrs. Ogg in leaving their Glendale friends and the town in which they have spent so many pleasant years, explaining that he was going to Coachella to make dates for his wife.

Refreshments which the guests had provided were then served and the guests separated at a late hour after an exceedingly pleasant evening.

STAR CARD PARTY

The card party for members of Glen Eyrie Chapter of the Eastern Star, which was given at Masonic Hall Thursday evening, was a great success, though the attendance was reduced somewhat because P. E. car service was discontinued during the evening. Although it had been announced that there would be no refreshments C. H. Woolsey played fairy godfather and treated the company to ice cream at the close of play.

QUIT JOY RIDING, SAVE GASO-
LINE

A general warning to cut out joy riding has been sent out to Southern California motorists by gasoline dispensers. The supply of this fuel is limited on account of the strike and the demands on this curtailed output have been unusually great on account of the heavy auto travel to relieve strike-bound passengers of transcontinental trains marooned by strikers. The necessity for conserving gasoline is fully as great as it was in war times, until things are again at normal.

MUSICAL EVENING

A few friends of Miss Dorothy Hunt were entertained by her informally Sunday evening at her home on Harvard and Belmont streets. The guest list included Ruth Wilson, Grace Shropshire, Marjorie Morris, Margaret Hauber, Mr. and Mrs. Edward Rohr, Mr. and Mrs. George Monberg, Mr. and Mrs. John Wilcox, Albert Sullivan, Robert Sullivan, Leroy Sullivan, Theodore Sodderberg and Messrs. Ford and Kiddard. It was an evening of music to which Mr. Ford contributed a number of violin numbers, Misses Shropshire and Hunt vocal selections, Miss Wilson and Albert Sullivan piano solos. The Hunt home was beautifully decorated with ferns and at the close of the evening a dainty buffet luncheon was served.

QUIETLY MARRIED

Mrs. Pearl Keller and her fiancé, Lieut. Paul A. Brattain, who arrived the middle of the week, slipped away and were quietly married Thursday evening by Rev. Myers of Los Angeles. The fact that one of the close friends of the bride, whom she had expected to be present, was seriously ill, caused a change in the plan for a church wedding. The lieutenant has not his final discharge but is expecting to receive it from Washington very soon. He and his bride are leaving for a brief auto and camping trip and on their return he will take up the practice of his profession as a civil engineer in Los Angeles.

CAR STRIKE SETTLED AT PITTSBURG

MEN ACCEPT THE INCREASE OF SIX CENTS AN HOUR
AWARDED THEM BY WAR LABOR BOARD

(Special Service to Glendale Evening News)
PITTSBURG, Aug. 29.—Normal electric car service was resumed here at five o'clock this morning, the men agreeing to accept the War Labor Board's award of an increase of six cents an hour. They had been on strike for two weeks.

PRESIDENT WILSON'S ITINERARY

GELES 20th AND 21st

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 29.—The official itinerary of President Wilson's tour as announced assigns September 17th and 18th to San Francisco, the 19th to San Diego, the 20th and 21st to Los Angeles. He will then start east taking in Reno and Salt Lake City en route, and will reach Washington September 30th.

RAILROAD STRIKE ENDS IN FRISCO

YARDMEN RETURN TO WORK AND GENERAL COLLAPSE
OF COAST STRIKE IS PREDICTED

(Special Service to Glendale Evening News)
SAN FRANCISCO, Aug. 29.—Yardmen returned to work at 8 o'clock this morning thus clearing the bay district of railroad strike troubles. Although Los Angeles railroaders continue to strike in sympathy with the Pacific Electric strikers, it is predicted here that the strike will end before nightfall. It is believed that the ultimatum of Director General Hines that the government aided by the Brotherhoods would undertake the operation of trains by Saturday if the strike did not end, will have the desired effect.

REJECTION OF TREATY URGED BY KNOX

SENATOR FROM PENNSYLVANIA DECLARES IT LAYS
FOUNDATION FOR CENTURIES OF BLOOD-LETTING

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 29.—The treaty now before the Senate is merely the "truce of Versailles, not a treaty of lasting peace; it does not spell peace but war—war more woeful and devastating than the one that has just closed; it lays the foundation for centuries of blood-letting," was the characterization of the peace treaty now being considered by the Senate made by Senator Knox of Pennsylvania in a speech today in which he said further: "The more I consider this treaty the more am I convinced that the only safe way for us to deal with it is to decline to be a party to it."

GOMPERS AND WILSON IN CONFERENCE

BELIEVED LABOR LEADER WILL TRY TO EFFECT CONFER-
ENCE BETWEEN JUDGE GARY AND UNION EMPLOYEES

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 29.—Gompers is to see President Wilson at three o'clock this afternoon to discuss labor conditions in the steel trade. It is considered likely that he will suggest that the President use his influence to persuade Judge Gary, head of the United States Steel Corporation to meet a committee representing the union employees of the corporation, a move which Gary has heretofore declined to make. Meanwhile the heads of the railroad unions are awaiting further action of the rank and file of the shopmen on their recommendation that no strike be called for ninety days. Warren Stone, head of the Brotherhood of Engineers, said that his organization had made no demands and would adhere to its policy opposing sympathetic strikes.

LABOR DEPARTMENT REFUSES INFORMATION

DECLINES TO DECLARE ITS ACTIVITIES IN CONNECTION
WITH MOONEY CASE

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 29.—Secretary of Labor Wilson today refused to inform the House of any activities which the Labor Department may at present be conducting in connection with the case of Thomas Mooney, convicted of bomb throwing in the San Francisco preparedness parade. The information was asked for in a recent House resolution.

WOULD FORCE CONGRESSIONAL ACTION

POINDEXTER DEMANDS IMMEDIATE CONSIDERATION OF
RESOLUTION CALLING FOR LABOR-CAPITAL CONFERENCE

(Special Service to Glendale Evening News)
WASHINGTON, Aug. 29.—A demand that Congress take immediate action on a resolution calling for a conference of capital and labor, was made on the Senate floor by Senator Poindexter of Washington today.

VETA FRANKLIN HURT

AUTO CONTAINING BRIDE-ELECT,
FATHER AND SISTER-IN-LAW
COLLIDES WITH FIRE TRUCK

A note which just escaped tragedy was interjected into the festivities which have marked announcement of the engagement and approaching marriage of Miss Veta Franklin, daughter of Mr. and Mrs. J. H. Franklin of this city, and Charles F. Robbins. Wednesday afternoon the family auto containing J. H. Franklin, Mrs. Harry Franklin and Miss Veta Franklin was struck by a fire truck at the corner of Loma Drive and Sixth street in Los Angeles, the Franklin machine being almost demolished by the impact. All of its occupants were hurt to some extent, but Miss Franklin most seriously. Besides receiving several bad bruises one foot was so seriously injured that she is on crutches. She was taken to the Thompson Hospital Thursday afternoon for an X-ray examination.

Bystanders who witnessed the accident and who voluntarily offered their testimony declared that the truck cut the corner and was responsible for the collision. Both machines were traveling at comparatively low speed. Had they been moving at a normal rate the results might have been much more serious and it was found that her foot was broken in three places. Despite this injury the wedding, set for Sept. 7th, will not be postponed.

VISIT FROM NEPHEW

MR. AND MRS. LeBLANC ENTER-
TAIN SAILOR LAD FROM
PACIFIC FLEET

Mr. and Mrs. LeBlanc, of Glendale avenue, had a very pleasant surprise Saturday afternoon when a young sailor called upon them. It was their nephew, H. O. LeBlanc, Jr., a gunner on the battleship "Nebraska," who enlisted on his nineteenth birthday and was one of the first to answer Uncle Sam's call.

Mr. and Mrs. LeBlanc had not seen the boy since he was six years of age, but when the uncle heard of his nephew's enlistment he wrote him a letter congratulating him on his patriotism and the noble cause for which he was sacrificing the pleasures and comforts of his home and his own safety.

Among other requests Mr. LeBlanc asked his nephew to attend to his religious duties daily, assuring him that God would preserve him. He also admonished him to be polite and obedient to his superiors, never to shirk his duties, and to be kind to his (Continued on Page 4)

WILLISFORDS HAD BUSY VACA-
TION

Rev. and Mrs. E. H. Willisford as chronicled yesterday, are once more at home on Orange street, this city, after a quiet but exceedingly pleasant month at the beach. During their stay Mr. Willisford responded to invitations to occupy the pulpits of the Venice Congregational Church and the Santa Monica Presbyterian Church and tell of his overseas experiences. Joy Willisford perfected herself in the art of swimming by a large amount of practice in both plunge and surf. Miss Carol Willisford, who has been employed this summer in the office at Bullock's Store in Los Angeles, came and went nights and mornings as she had been doing here. The 22d of September she returns to Pomona College where she will be a senior the coming year.

INTER-URBAN AUTO STAGES

The success of the Pacific Electric Company in restoring train service on the Glendale branch to approximately normal intervals will not leave as much traffic as was at first promised for the emergency taxis and busses, except at night when car service is discontinued. It is good to know, however, that there are alternatives for the harassed public which pays the cost of these strikes in the long run.

The Railroad Commission has been granting licenses this week intended to cover emergencies of travel which will be good until the strikes are over. Each auto transporting passengers bears the sign "Licensed Emergency Car No. —" on its windshield. Both city and inter-urban terminals have been fixed, that for Glendale traffic being First and Broadway, Los Angeles.

Auto stage travel is said to be developing to points even beyond the state. Auto Club officials predict a big boost for transcontinental auto staging.

TRUSTEES' MEETING

OPENING AND WIDENING OF AD-
AMS AND EIGHTH STREETS
TO PROCEED

The Board assembled at 8:10 p. m., August 28, 1919. There were present at roll call: Trustees Henry, Jackson, Shaw and Woodberry. In the absence of the chairman, Trustee Shaw was elected chairman, pro tem. The minutes of the regular meeting of August 21, 1919, were read and approved.

John H. Mahan of North Louise St. appeared before the Board and requested that he be permitted to use a shot-gun in shooting the birds that are destroying his fruit. Trustee Jackson made a motion, which was carried, that his request be complied with and a permit be granted.

A communication was read from the California State Board of Health, calling attention to the convention of health officers of the state to be held in connection with the convention of municipalities at Riverside, October 20-24, 1919; requesting that Glendale's health officer be present. Referred to the committee of the whole.

Applications for Permits to Carry on

jitney Service

Applications for permits to carry on jitney service were presented from Robert Hankins, and Leo Goode; both having the approval of the City Manager, were, on motion of Trustee Henry, granted.

Communication from B. P. O. E. 1289

Communication was read from Glendale Lodge B. P. O. E. No. 1289 requesting that the city furnish a policeman to be in attendance on meeting nights of the lodge about the grounds outside of their hall, as there has recently been several cases of property being stolen from automobiles and at least two machines stolen on lodge nights. On motion of Trustee Henry the communication was referred to the City Marshal to (Continued on Page 4)

TRAVEL BY AIR

BIG PASSENGER AIR SHIP BEING
TRIED OUT IN EASTERN
STATE

Rapidly and surely we are approaching the time when we can board an airship in Glendale or Los Angeles at 5 a. m. and step off at Chicago by 10 p. m. the same day. A passenger airship has just been completed at Milwaukee and started on a trial flight. It will accommodate its crew and 26 passengers and has registered a sustained speed of one mile in 58 seconds. When travel by air shall have become as safe as railway travel now is, and that time will undoubtedly soon be here, then the transcontinental railway lines will have heavy competition. And it may be that auto truck travel will have been so improved by that time that the railways will be well-nigh crowded out. This is certain to come if there are many more unjustifiable strikes like the present one and others projected for this year.

BRICE—JELLISON

DAUGHTER OF MR. AND MRS. C.
P. BRICE WEDS PORTLAND
MAN AT SAN BERNARDINO

The wedding of Miss Leone Brice and Leroy Jellison of Portland, Oregon, which took place at San Bernardino Sunday, August 25th, was a surprise to the parents of the bride, Mr. and Mrs. C. P. Brice, of 304 North Kenwood street, as well as to her many friends here. Her engagement to the man of her choice was known and approved by Mr. and Mrs. Brice, but they had expected to give their daughter a pretty home wedding and were disappointed when the young people stole a march on them. However, it is all right and no family unpleasantness has arisen over the event.

With a party of young people which included the sister of the bride, Lena May Brice, Miss Brice and her fiancé had gone to San Bernardino for a week-end party. Yielding to the suggestion that they anticipate their wedding date they were married in the study of the pastor of the First Methodist Church of San Bernardino in the presence of their friends.

Mr. Jellison was in naval service for two years and was recently discharged. Mrs. Jellison attended Glendale Union High School and has a large circle of friends and well wishers in this city. They will make their home with the bride's parents until they decide where they wish to locate permanently.

DEATH OF MARIE JENNINGS

Mrs. Marie Jennings, a former resident of Glendale, died in Santa Monica Thursday, August 28th. Funeral services will be held Saturday in that city at 2 p. m. at the Brazee & Todd Undertaking Parlor, with interment at Forest Lawn Memorial Park. Her husband, J. C. Jennings, was a member of the first City Council of Glendale, having been appointed in 1907, to fill a vacancy, and he served several months. He had been in the Regular Army for many years and was honorably discharged shortly before the removal to Glendale. Both he and his wife were members of the First Methodist Church, in which Mrs. Jennings was an active worker. Following the death of her husband,

Mrs. Jennings was a nurse in the Soldiers' Home at Sawtelle for a number of years. She is survived by a son, Ralph Jennings, of Santa Monica, a sister, Miss Julia Dohr of Glendale, and two sisters in the east.

Mrs. William Justema and her son Billy are enjoying an outing at Clifton-by-the-Sea where Mr. Justema joins them for week-ends. He says it is delightfully restful there.

Mrs. Mabel Franklin Ocker of this city was the special guest at afternoon tea on Thursday of Madame Mariska Aldrich, the celebrated metropolitan opera singer, at her home on 25th street, Los Angeles.

Mr. and Mrs. H. A. La Gross, who recently sold their beautiful home at 601 N. Louise St., have purchased the residence at 318 El Bonito avenue and will move there the latter part of next month.

Mr. and Mrs. George P. Reuter of 318 Fairview avenue leave Friday for Coronado. They will spend the week end with Mr. and Mrs. Childs of San Luis Obispo, who have taken a cottage for the season.

Thomas G. Widmeyer, Nash agent for Glendale and surrounding country, is making almost daily trips to Los Angeles endeavoring to get hold of a few cars to fill the orders he has booked ahead.

The Ladies' Aid of the West Glendale M. E. Church gave a farewell party to Mrs. J. W. Durham, long a faithful member and church worker, Thursday afternoon. She was given a beautiful friendship book, some candy and flowers.

Miss Rosemary Button, who went to San Francisco about the first of July, returned and joined her parents at Long Beach the middle of August. They have now returned from the beach city to their home at 207 West Lexington Drive.

Steve Zeigler, a prominent rancher of the Imperial Valley, motored up from there the first of the week and was the house guest for several days of Mrs. Adelaide Inler and her sister, Miss Hickman, returning to the valley Thursday.

Officers and members of the drill team of the Glendale Elks' Lodge to the number of about seventy-five, visited Santa Monica Thursday evening in response to a special invitation and put on initiatory work. Following the program a supper was enjoyed.

Dr. R. V. Hogue announces with satisfaction that his brother-in-law, E. L. Tuck, of Hurley, New Mexico, is coming to the coast next month with the intention of buying property and locating somewhere in the vicinity of Glendale. Mrs. Tuck has been here for several months as the house guest of Dr. and Mrs. Hogue.

Mrs. Kennedy, mother of Merna and Merle Kahler, the professional dancers, was taken to the Good Samaritan Hospital in Los Angeles Thursday, where she was to undergo a serious operation this, Friday, morning. She has a large circle of friends here who will be grieved to learn of her illness.

Mr. and Mrs. Clyde Bott have returned from their auto tour and camping trip. Hanford was their "farthest north" objective and from there they went to the hot springs this side of Porterville in Tulare county and camped at Pine Flats. Both enjoyed the outing thoroughly, particularly Mrs. Bott, who was much benefited by the experience.

Mrs. A. M. Beamon of North Maryland avenue had the pleasure of entertaining during the week her friend, Mrs. Maud Kerr, of Boise, Idaho. For several years Mrs. Kerr has been spending winters in California. For the past three months she has been touring the southern portion of the state. She will leave by auto for Boise tomorrow.

Mrs. E. H. Weston of West Parkdale was hostess Wednesday afternoon at a box party at the California Theatre at which eight Glendale ladies were entertained, the guests of honor being Misses Lillian Elliott and Lucile Barnes, brides-elect. The attraction was a filmed version of "The Brat" with Nazimova in the leading role.

Rev. C. A. Cole and family and Miss Eva Garton arrived at home Wednesday night from Forest Home, where they had been spending a ten-days' vacation. The place was crowded all the time they were there and the management claimed they had entertained 15,000 people during the season. By request of the manager, Rev. Cole preached to a large audience in the pavilion last Sunday.

Dr. and Mrs. P. O. Lucas and family of Riverdale Drive have been taking their vacations in long week-ends (which began on Thursdays) at Paolima Canyon, where they have bought property at an altitude of about 3000 feet and where the doctor is building a rock cabin of three rooms with his own hands and enjoying the job. They have had a great deal of pleasure out of these excursions as their mountain retreat is only twenty miles away and easily reached by auto.

CHAPTER L. OF P. E. O.

Members of Chapter L, P. E. O., are requested to attend a called meeting Wednesday, September 3d, at 2:30 p. m., at the home of the president, Mrs. H. E. Bartlett, 347 North Brand. Special business in regard to educational fund matters will come before the chapter, also anything else which may require attention.

VOLUNTARY TESTIMONY

Last week I called at three places to purchase fruit advertised in the News. I was told that I was too late, they had so many applicants the first thing in the morning. One lady said, "I advertised in the Glendale News and you know that brings results." NAPOLEON LE BLANC.

BRAVE SOLDIER HERE

Mr. and Mrs. J. J. Walter of 331 North Adams street were delightfully surprised on Wednesday by the arrival of their nephew, First Lieut. Walter Fiechter, of Philadelphia. He is here after a ten months' stay in the hospital to recuperate from wounds received in the second battle of the Marne. Lieut. Fiechter received a Distinguished Service Cross and Citation from Gen. Pershing for his bravery.

NOTICE TO THE PUBLIC

Beginning next Tuesday, September 2d, the liner and want ad department of the Evening News will receive the special attention of one person all of the time. That the new manager of this department may have a clean slate to begin with, all back accounts for liner advertising should be settled for at once, and after September 2d no accounts will be allowed to run unpaid. 30313*

FRUIT FOR CANNING IN GREAT DEMAND

It is no wonder that every ad in the Evening News for the sale of peaches or other fruit brings a rush of customers to carry it away. When we read of entire carloads of peaches rotting in freight yards while shippers as well as produce dealers to whom the fruit was consigned, were warned away from the yards by strikers, we do not wonder that every bit of fruit offered is eagerly bought for canning by Glendale housewives.

EARTHQUAKE AT SANTA BARBARA

Miss Ellen Churchill and Miss Minnie Moulton of South Maryland avenue returned Wednesday from a brief trip to Santa Barbara and Ventura to convey friends who were stranded in Los Angeles by the strike. While in Santa Barbara they were aroused from sleep at 5:15 in the morning by a sharp earthquake followed by five lighter tremors. So far as they learned there was no material damage to buildings, but the shock was severe enough to cause general fright and an exodus of residents from their homes for the time being. The Glendale ladies had never experienced anything like it before and hurried home believing that our own city is safer from such experiences.

SPONTANEOUS TRIBUTE

A spontaneous tribute to the value of the Glendale News as an advertising medium is paid by Mrs. James Farrell, of 1123 East Broadway, who tells the results of an ad concerning poultry for sale. Before her own copy of the News had been delivered she received a telephone inquiry and ere the evening ended she had sold \$18 worth of poultry, all as the direct result of the publicity referred to. This morning in response to the same ad a caller purchased all the chickens she had left for sale. She considers this a remarkable record of advertising efficiency.

DEATH OF MRS. FANNIE WELER

Mrs. Fannie Weller, wife of Judge Louis Weller, passed away this (Friday) morning, August 29, 1919, at her home, 716 Vine street. Cerebral hemorrhage was the immediate cause of death. The remains are now at the parlors of the Seavern Company and funeral arrangements await the return of Judge Weller's son, an official of the P. E. Railway, who is now in Chicago. Mr. and Mrs. Weller came to Glendale from Los Angeles about six months ago.

RETURN OF JAMES GORDON STEWART

Private James Gordon Stewart, son of Mr. and Mrs. G. D. Stewart, returned Tuesday from overseas, after an absence of over a year. He was in artillery service and was en route for France when the armistice was signed. Very fortunately he made the transcontinental trip by the northern route which took him to Vancouver and Seattle, so was able to come south from there by boat. He was

accompanied by his cousin, Charles Stewart, of Vancouver, who will be his guest for several weeks. His mother reports that he has been benefited by his army experience, that he went a boy and returned a man.

Los Angeles policemen are asking for increases in pay that would aggregate \$170,000 a year. The city council favors the increase, but says the money is not available. Will it be a strike of policemen next?

associates. He warned him of the temptations which other sailors would throw in his way and cautioned him not to do anything which he would be ashamed to have his father and mother know. He seems to have followed this advice for when he filed his application for a twenty-four hours' leave of absence to visit his uncle and aunt, the officer who received the application, said: "Another fellow got an uncle in California! But you have a clean record, so take 48 hours."

Sunday Mr. and Mrs. LeBlanc entertained their nephew with an auto drive to Pasadena to show him the millionaire homes there, etc. He remarked: "That is a beautiful sight—more pleasant to the eyes than seeing submarines, but there is more excitement in taking a shot at the latter."

He paid California the compliment of saying that the boys had received
